I'm Tomas and I live in Vienna with my parents and my sisters. I'm the youngest in my family. I turned 13 last month. My sisters are Martina, 16, and Betta, 19. Betta's very serious and she always tells me what to do, I guess because she's the oldest. I go to a nice school not too far from our home and I really enjoy it. I have a lot of friends there and I enjoy studying. My best subject is Geography, probably because it's the easiest too! My most difficult subject is Math - I'm terrible

and I don't like my teacher. I love playing sports, especially basketball. I'm the tallest player in the school team and I usually play really well. It's the happiest part of my day. My coach says that one day I could play professional basketball! At the weekend I spend a lot of time with my friends Ralf and Kurt. We do everything together and they are very important people in my life.

a) Answer the questions. Odgovori na vprašanja.

1. How many children are there in the family?

3

2. What is Betta like?

(Very) serious.

3. When does Tomas play with Ralph and Kurt?

At the weekend.

b) Write questions to the answers. K odgovorom napiši ustrezna vprašanja.

1. Where does Tomas live? / Where do they live? In Vienna.

2. Why does he like geography?

Because it is the easiest subject at school.

3. What does his coach say?

He says that one day Tomas could play as a professional player.

c) True or false? So trditve resnične(T) ali napačne (F)? Ustrezno obkroži!
